CAPABILITY STATEMENT

www.MASBUILD.COM

Masbuild, Inc., established in 1996, is an award - winning AEC firm staffed with architects, interior designers, construction managers, space planners, ADA specialists, and building & construction inspectors. Masbuild's experts each have 25+ years of experience with a broad-based and comprehensive background in design and construction services for government projects and agencies. Among those, HUD, the United States Navy and Air Force, and the U.S. State Department and Caltrans. Masbuild, Inc. is dedicated to high-quality architectural design and construction management services, taking the time to create excellence in the aesthetics, detail, functionality and overall flow for the entire project. As such, we deliver consistent high-quality and innovative solutions in architecture, engineering, and interior design for each project. We incorporate both new construction and modification of existing structures in conjunction with updated safety regulations to meet all code requirements. Masbuild is African American/Woman Owned Business Enterprise and is also certified as a DBE, SBE, MBE and EDWOSB.
